As such the proposed International Photographic Exhibition on Environment that we planned to commemorate 50 years of **World Earth Day** 2020 from 22<sup>nd</sup> April to 21<sup>st</sup> May 2020 and the Photographic Workshop on Environmental Photography for the School students during 10<sup>th</sup>-11<sup>th</sup> April 2020 at Science City, Kolkata need to be postponed. We may carry out these programmes in near future at a mutually convenient time as proposed by the Curator of Science City. May be in June to celebrate World Environment Day( 5<sup>th</sup> June) if situation improves.

In view of the above we are postponing the scheduled 1<sup>st</sup> International Digital Salon on Environment under FIAP Auspicious( status O.K but awaiting Auspicious No.) till further notice.

In continuation to our notice dt 18th March I like to state that in view of the Total **lockdown** in INDIA till 14<sup>th</sup> April, all **classes** (FECF, Diploma, Post Diploma, Salon Participation group) and other **programmes** will remain postponed till further notice.

However our site for registration and uploading images for 1st digital Salon will remain open for the entrants.

I also humbly appeal to all to **maintain social distance** and **stay at home** as requested by our Governments both Central & States.
